BIBLE CENTERED

The curriculum of Trinity is "Bible Centered." The Bible Core which consists of 50 hours of Theology and Bible in all programs of study is the heart of the training. Great stress is also placed on "practics" or practical experience in the ministry.

The study program includes General Education courses. All students must complete a minor in the area of their choice to enhance their spiritual growth and develop ability for effective Christian service.

Trinity Bible Institute is a Candidate for Accreditation with the American Association of Bible Colleges and is authorized by the State of North Dakota to confer both A.A. and B.A. degrees upon satisfactory completion of the required courses of study. Its varied program includes:

BIBLE MINISTERIAL STUDIES to prepare the student for pastoral ministry.

BIBLE GENERAL STUDIES providing a choice of electives related to various fields of ministry.

BIBLE MISSIONS STUDIES in which the primary concern is to infuse in the student a love for Christ and the souls of men through a sound knowledge of scripture that will constrain him to enter missionary service.

BIBLE CHRISTIAN EDUCATION equipping the student with an awareness of opportunities to direct children and youth toward maturity in Christ. Basic principles and techniques of teaching and administration are correlated in the educational program.

BIBLE MUSIC STUDIES program prepares the student to be able to direct the music program of an evangelical church, lead congregational singing, conduct choral groups, write musical arrangements, perform with technical, historical and artistic accuracy and interpret music with Biblical, social, emotional, intellectual and stylistic integrity.

BIBLE BUSINESS STUDIES enables the student to acquire secretarial and office training which prepares him to secure positions in church offices, church-related institutions, private business and industry or in public institutions.

The academic program is designed so that students may enroll in the four year B.A. degree program, the three year A.A. degree or the two or three year diploma or certificate of accomplishment.

Faculty and students are friends

INDIVIDUAL ATTENTION

Trinity Bible Institute is located on a beautiful 40-acre campus in the southeast corner of North Dakota where the air is fresh and clear and the peaceful prairie surrounding encourage a relaxed atmosphere.

Here a highly trained staff of born-again, Spirit-filled instructors seek to teach the students how to integrate faith and academic discipline. These dedicated Christians create the family atmosphere that makes the faculty-student relationship unique. They take time to relate to the needs of the student body as individuals and alumni testify that they discovered there was never a problem too small for them to discuss with an interested listener. Then, together, students and faculty members find the solution as they bear witness that there is no problem too big for God to solve.

The enrollment includes 450 students from more than 30 states and 22 denominational backgrounds. They come from all walks of life to allow the Holy Spirit to blend their relationships into a love experience that erases cultural and geographical differences.

Trinity's program is designed to include both single and married students in many activities. However, special areas of need required by the families of the 100 married students are provided. These activities include separate worship services on Sunday morning, Sunday School for the children, Women's Ministries, Children's Church, mid-week fellowship, Missionettes and Royal Rangers.

Trinity is the place to experience the Christian brother-sister relationship.

BALANCED LIVING

Trinity teaches balanced living with the emphasis on the spiritual, physical, and social development of the student. This spiritual development is best displayed in the ability to associate and interact with others on a physical and social level.

Many friendships made at Trinity will be life long. Such influences are an important part of student development. Students eat together, play together, enjoy dormitory life together, and travel in musical and athletic groups together. These relationships are cemented with love for God and fellow students. Relationships often result in sound, healthy marriages based on a solid foundation of love.

Athletic activities help develop students into well-balanced persons. The Crusader basketball team is a member of the National Christian College Athletic Association. Campus intramural football, basketball, volleyball, and tennis are a few of the sports you may enjoy as a participant or spectator.

All-school activities are an integral part of the campus family life and students learn to laugh together in wholesome Christian activities. Individual leadership talents are encouraged and developed through participation in organizations such as Student Association, Pep Club, Social Committee, Annual staff, Crusader Band, Crusader Choir and Chorale, Troubadours, Student Ministries, Dorm Council, Missions Club, Radio Club and class officer positions.

Prayer

Trinity emphasizes the "total" development of a Christian person. The beautiful Walter and Hattie Block Memorial Chapel stands in a central position as a constant reminder of the miracle working power of God on a campus that is truly a multi-million dollar miracle. These facilities were secured for just one dollar in 1972.

A spiritual emphasis program of constant enrichment to develop the inner man includes:

- daily chapel services
- daily devotional periods
- spiritual emphasis weeks
- spring missionary emphasis services where students minister
- missionary prayer bands each week
- 24 hour GAP (Prayer Corp ministry)

TBI enjoys a "charismatic dimension" because of the Baptism of the Holy Spirit. The operation of the gifts of the Spirit and the growth of the fruits of the Spirit are encouraged. The chapel becomes the "Classroom of the Holy Spirit." It is not unusual for classes to be interrupted as students worship and praise their Lord for His goodness to them.

EXCITEMENT IN EVANGELISM

Spiritual character is built as students are strengthened through ministires of their choice. Student ministries become laboratories where knowledge gained in classrooms and daily chapel services becomes experience. Relevant truths gleaned from God's Word are shared in a one-to-one basis. As the students minister to others their own ministry is developed.

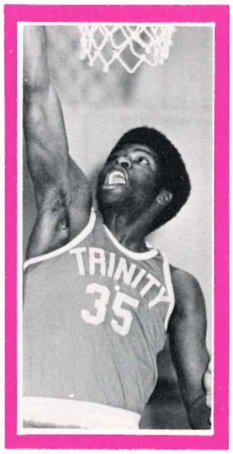
The 90 voice Crusader Choir ministers for special occasions and seasonal events. They also travel to area churches bringing blessing through their spirit-anointed music.

The Crusader Chorale, 20 voices, travels in a four-state area during the school year and tours more extensively during the summer. Trios and quartets selected from this group visit Bible camps and churches.

The Crusader Band provides worshipful music each week in chapel and exciting musical selections at home basketball games. Ensembles are trained to travel in off-campus ministry during the school year and summer months.

The Crusader basketball team enjoys intercollegiate competition on the basketball court, but they are more excited about the victories won in their outreach ministries. Their travel schedule is arranged so that special services can be held in churches. During the spring break they visit prisons and penal institutions where their program includes basketball competition and evangelistic ministries.

The Trinity Troubadours' a musical-speaking team, presents a fast-moving program of gospel music interspersed with exciting testimonies that tell of the power of Jesus Christ to change lives. Two groups are active in ministry on weekends during the school year and a summer tour group covers nearly 10,000 miles as they travel for 60 days.



Skeet

Witnessing groups, street ministry, Impact teams, jail ministries, rest home ministry, child evangelism outreach, home mission church service, bar ministries and Indian Mission opportunities are available under trained leadership to all students.

Exciting reports are received from pastors as they tell of those who have been saved, healed, filled with the Holy Spirit, or aided in their spiritual growth as these spirit-filled students have ministered in their areas.

Class speaker Jim Palmer

The Trinity family is a hard-working one and in the springtime when the trees start to bud and the flowers begin to bloom thoughts turn to those events that signal the end of another year of service to the Lord.

The Junior class transforms the full-size fieldhouse for the Junior-Senior banquet designed around the Senior Class theme. Beautiful young ladies and handsome young men in formal attire relax, fellowship and worship together in the beautiful candlelight atmosphere of this celebration.

The Alumni Homecoming Banquet, followed by graduation ceremonies, climax the school term. Faculty and students then relax, catch their breath and begin immediately to "do it all over again" as they shift gears to enter the summer school session. Later, as the leaves turn to gold and red, they will get ready to welcome new members to the family as the fall term begins on the beautiful Trinity campus.

Reverend Robert McCown.
How does he accomplish so much?
PASTOR . . . INSTRUCTOR . . . FAMILY MAN.
He's always there when you need him.
Capable of doing whatever job is given to him,
here is a man who is an example of the believer
in word, in conversation, in love, in spirit,
in faith, in purity.
What shall we then say?
We, the class of 1978, do dedicate this annual
to you, Bob McCown — and to your family who
have shared you so generously. Thank you
for being the example of Christ that you
are to us.

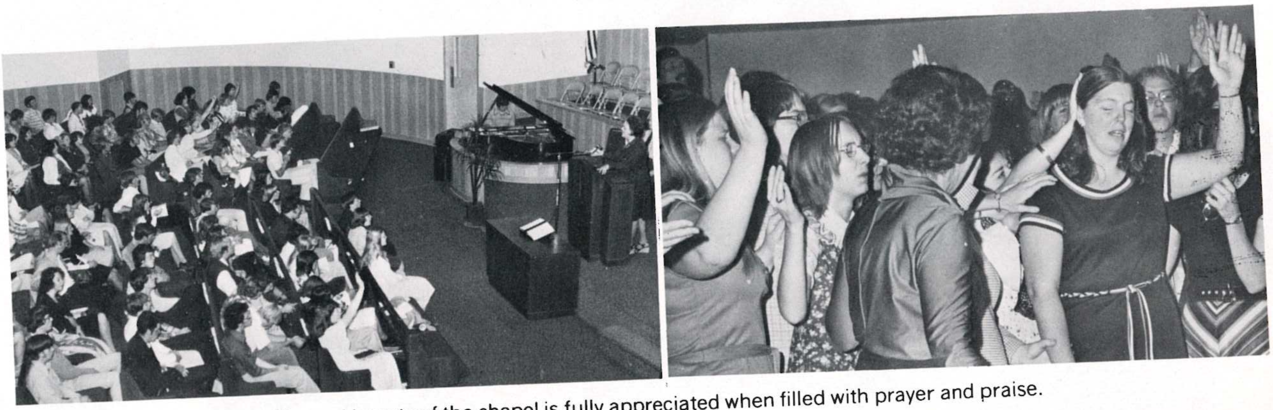
SPIRITUAL LIFE

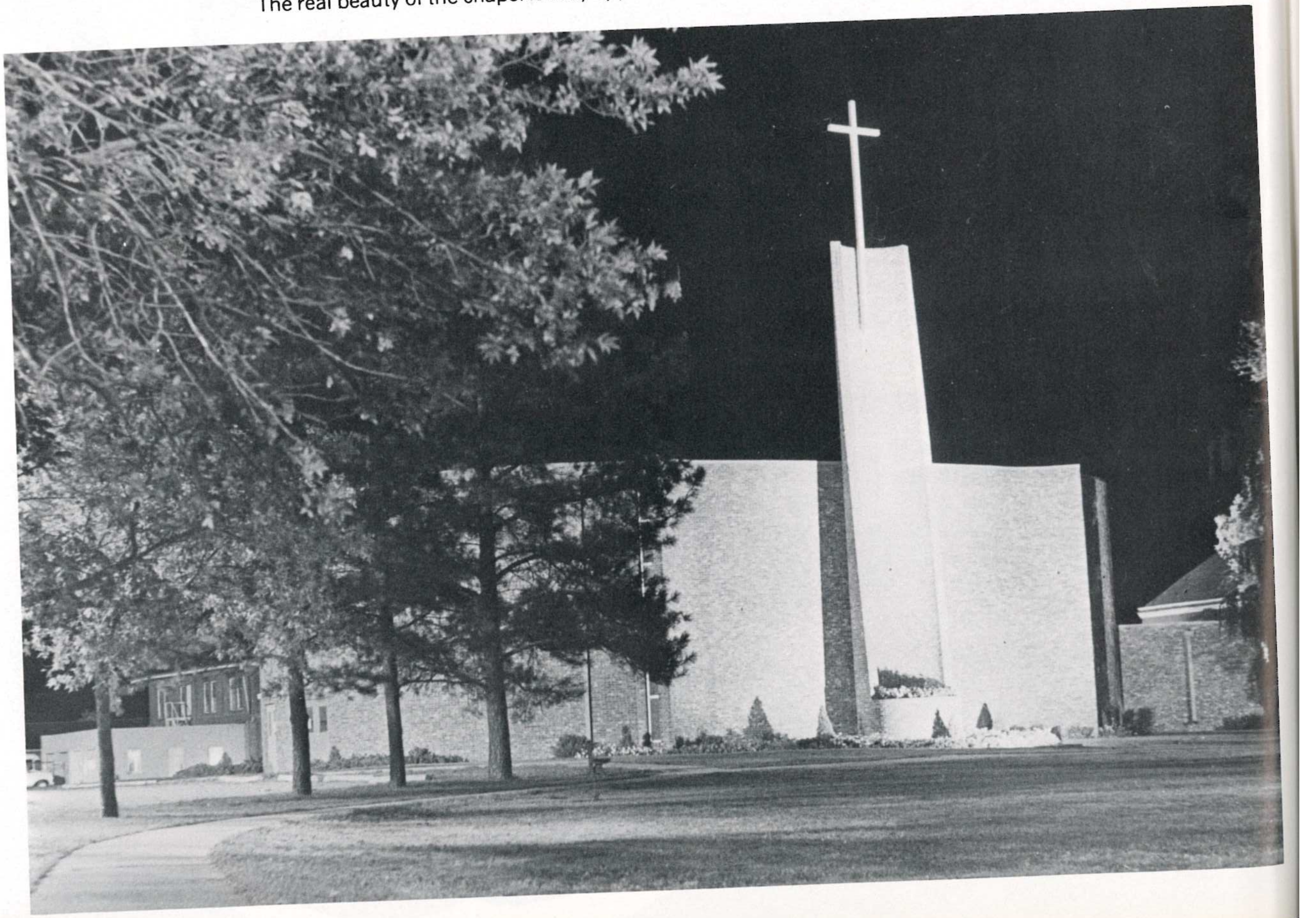
CHAPEL

Chapel services are held daily in the Walter and Hattie Block Memorial Chapel. Student pastors preach in the Sunday services and are responsible for them.

President and Mrs. Paul Loth, welcome Trinity to ETTA.



The real beauty of the chapel is fully appreciated when filled with prayer and praise.



Refreshing, evangelistic singing is directed by Roscoe Leach, faculty.

Trinity's "Apostle Paul" Davidson stirs the hearts with his annointed ministry.

Upper left: Student talent is a regular part of chapel worship and Ward Astin joins Anna and Ted Slater in a contemporary musical message. Lower left: Former student Barbara Fields shares a song she composed telling of her feelings while at Trinity. Right: A traveling cowboy preacher illustrates a short gospel message using a lariat.

Pastor Bob Schmidgal, Naperville, Illinois shared from his heart and everyone received a tremendous spiritual uplift.

Missionaries Dale and Judy Fagerland shared their burden for World Evangelism. Dale attended TBI in 1968.

The entire student body filed through double lines of faculty/staff to be prayed for individually.

A communion service concluded the week of special ministry.

SPIRITUAL EMPHASIS

High on the list of priorities for each school year is ample time for the moving of the Holy Spirit. Guest speakers, faculty/staff and students contribute to this emphasis on spiritual things as they set aside a week for special services at the beginning of each semester. The continuous moving of the Spirit of God is evidenced throughout the term and is demonstrated in daily living.

George Holmes, faculty, loves to participate in the freedom of worship enjoyed by charismatic believers.

Various expressions of worship are witnessed during prayer and praise.

President Roy H. Wead is known as a man who loves the Word of God. He encourages memorization of the scriptures.

A student shares thoughts gleaned from the Bible, Missionary Phyllis Baake takes time to share testimony of the way God called a North Dakota Lutheran young lady to the mission field and filled her with the Holy Spirit and married students stand together for special prayer. All of these events are a part of Spiritual Emphasis Week.

COUPLE'S CHURCH

There are 103 couples plus 153 children included in Trinity's enrollment. The Married Fellowship church which meets separately on Sunday morning provides the ministry necessary to meet the spiritual needs of the family.

Gerald Minegar serves as pastor and John McLennan and Delbert Nultemeier as Associates. Ten married students are Assistant Pastors and are assigned a group of people to be responsible for.

A Men's Fellowship breakfast was initiated this year to provide a time for married and single men and local businessmen to share with each other in God's Word. George Moore coordinates these monthly meetings. Volunteers from the WM's cook and serve the breakfast.

Pastor Gary Minegar

AND COUPLES' FUN

The Married Fellowship meet each Wednesday for a time of prayer and fellowship. Special occassions include a masquerade party, a tea for the ladies, a Sweetheart Banquet, Christmas party, and other sport events and picnics.

WOMEN'S MINISTRIES

Soloist Malora Forrey

They come from many states and backgrounds to form a married community within the Trinity community. One hundred five married couples with a total of 153 children (27 new members in 1977) brings the total population of TBI to almost 800. They have found Ellendale a nice place to live and rear their families while studying the Bible as they desire.

Many wives attend classes — possible because of the special financial consideration. Some couples alternate morning and afternoon classes so that one of them can be with their pre-school children. Ages vary and include the newlyweds as well as husband and wife teams who have long desired to get a Bible education.

The WM ministry provides a basis of friendship, fellowship and worship.

WM's take an active part in Sunday School, Missionettes and other child evangelism efforts.

The family is a vital part of the complete TBI family and provision is made for their unique needs.

Expressions of love

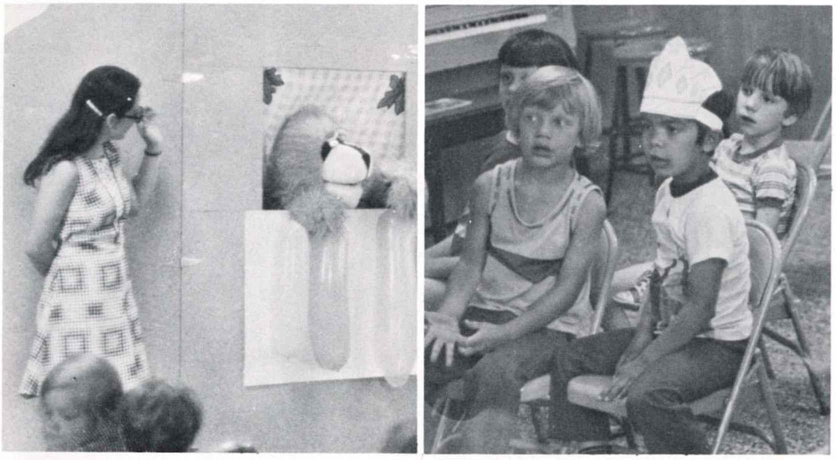
NOAH'S ARK

''What do you play on a rainy day in Noah's ark?'' That was the story told as a child would experience it in the cantata presented by the campus children. Every animal (stuffed, of course) was present on the ark. The musical was directed by Judy and Cheryl Matson.

Campus ministries for the children of students and faculty/staff include Sunday School, Children's Church, Missionettes and Royal Rangers.

They need to know of Jesus' love

King's Kid for the day — Cindy Clauser



Everyone sits still when the puppets come on stage

The Bible story of Zachaeus in the tree is acted out.

CAMPUS VBS

The Vacation Bible School class makes practical use of their studies when they conduct a Campus Kids DVBS.

The three day event is just long enough for the kids to wish it was longer — and short enough for the class to survive it. They quickly discover that the facts they learned in class sessions are true: it is a lot of work, planning and preparation are necessary, you must be able to ADAPT and it is worth the effort.

Teacher . . . may I???

PRAYER AND STUDY

The proper balance of prayer and study is encouraged at Trinity. This strong foundation is important as the students study the Word of God and related subjects.

The GAP (Prayer Corp) ministry is open to all. Volunteers sign a commitment to pray for an hour each day in a prayer chain. Beautiful prayer rooms are provided in the dormitories for this ministry. So often excited participants say, "I never prayed for an hour before."

A two day seminar was held on the campus to acquaint the students with the many open doors for home mission work in the United States.

Representatives from the inner city ministries, rural home missions, Teen Challenge ministries, and the North and South Dakota Districts were present to speak in the chapel sessions and to interview and advise individuals who wanted additional information. Every phase of ministry including legal and financial aspects were covered in the sessions.

"The Greatest Story Yet Untold" was the emphasis for the Missions Convention. The theme was inspired by the cantata presented by the Crusader Choir. This presentation included a visual dramatization showing the need to take the Gospel to all the World.

Lamar Headley, guest speaker, disclosed opportunities available for missionary service through the MAPS division of the Assemblies of God. Missionaries in Residence, Phyllis Bakke and Delbert and Marion Nultemeier shared field experiences. The Missions Club ministered in song and testimony. Rosoe and Leana Leach, former missionaries to Holland climaxed the 3 day event with a slide presentation and mission rally.

The Missionary Prayer Bands featured display booths throughout the campus.

MUSIC/MINISTRY

The twenty voice Crusader Chorale presents a repetoire that includes old-fashioned gospel music, contemporary arrangements, and cantata performances.

The group travels to area churches during the school term and ministers in North Dakota and Montana during spring break. In the summer trios and soloists minister in camps and churches.

A musical arrangement of the Bible story, ''Moses'' is a dramatization that has blessed hundreds of people.

The Chorale enjoys ministering in chapel and participates in the annual missionary convention and during campus days and graduation events.

"For unto you is born this day . . . A SAVIOUR!" A beautiful cantata, "A Glorious Allelujah," was presented by the Crusader Choir under the direction of Lena Mae Leach, Director of Music.

The 90 voice choir is composed of students with musical interest and includes the Crusader Chorale. This on-campus choir ministry is a tremendous blessing. The hard work of the choir and director are greatly appreciated.

The entire group traveled to area churches and rest homes during the holiday season to spread the joy of Christmas with their special musical presentation.

The choir also participated in the Missionary Convention, Campus Days and Graduation.

CRUSADER BAND

The TBI CRUSADER BAND performs concerts glorifying God — it plays for basketball games — it adds to school spirit at special affairs — it participates regularly in chapel services — it occassionally travels, and the band members share their testimony praising Jesus Christ.

The Crusader Band is directed by Dr. Charles Clauser who received his B.A. degree from TBI, Spring 1977. His Ph.D. is in music education. He is licensed as an Assemblies of God minister by the South Dakota District Council. Dr. Clauser has been associated with Trinity for the last four years — first as a student, now as a music instructor and Acting Academic Dean.

Band members honor Dr. and Mrs. Clauser for their many hours of love given to the group. Mrs. Clauser is also a member of the Band.

Dr. Clauser gives private lessons on various musical instruments and also teaches classroom sessions.

The Crusader Band sets the mood for Wednesday Chapel with a ten minute prechapel musical presentation. They also play at holiday and year end activities.

Charlotte Hvistendahl receives a plaque from President Wead in recognition for her four years of faithful service in the Music Department. She teaches organ, piano, Private voice lessons, music courses and voice classes such as the one above.

MUSIC DEPARTMENT

The Music Department has taken giant steps and credit goes to Lena Mae Leach, Music Director, Dr. Charles Clauser, Charlotte Hvistendahl and Marvel Malm. Their untiring efforts and consecrated dedication to gospel music ministry is an example to students who love music.

Mrs. Leach directs the 90 voice campus Crusader Choir and travels with the Chorale. She gives private voice and piano lessons, teaches in the classroom and is responsible for the arrangement of music for chapel and special events. A brilliant, talented pianist, she inspires her students to strive for excellence.

Dr. Charles Clauser directs the Crusader Band and gives private lessons on various musical instruments.

Charlotte Hvistendahl joins the others in working almost around the clock to provide the time for private lessons.

Marvel Malm teaches music in the local high school in addition to her TBI duties.

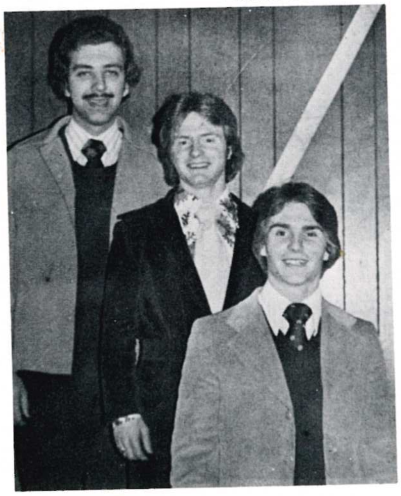
TROUBADOR I

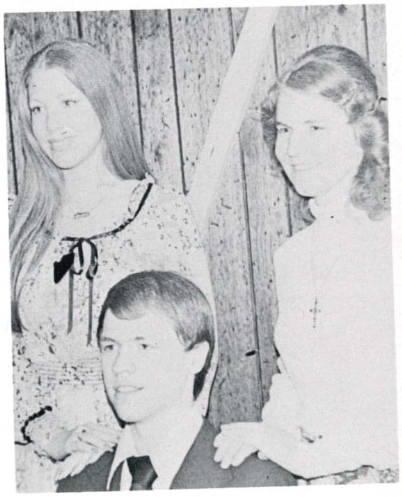
Two Troubadour groups minister during the school term. They travel to area churches on weekends and enjoyed a 10 day tour during spring break.
This ministry includes music and testimonies in a relaxed presentation.

MELLODETTES: Gayle Wilcox, Pam Garrison, and pianist LeAnn Johnson

HARMONAIRES I — Rick Runyan, Betty Croll, Craig Schroetlin, Beth Grimes



KINGS MEN I — Bob Hoekstra, Dan Rice, Paul Siddall



KINGS III — Linda DeBevoise, Chris Cain, Cindy Niles

TROUBALAIRES: Brenda Olson, Mike Pollard, Cindy Erlitz

TROUBADOUR II

In addition to their platform ministry of testimony and song the Troubadours enjoy a one-on-one opportunity to share their faith in Jesus Christ at the close of each service. As they follow the guidance of the Holy Spirit they often witness miracles of salvation, healing, deliverance and the in-filling of the Holy Spirit.

Troubadour I travels under the direction of Kaye Garrison; Troubadour II had Bob Garrison for their director.

The Trinity Troubadours have traveled for 9 years. In addition to their activities during the school session a summer group travels throughout the vacation period.

HARMONAIRES II: Barry Sjostrand, Barb Swartzentruber, Cindy Vorwerk, Bill Mann

TROUBADETTES: Lori Pearson, Joanie Donald, LaVonna Haberstroh

SUMMER TOUR TROUBADOURS

KINGS MEN: Bob Hoekstra, Paul Siddall, and Tom Moore.

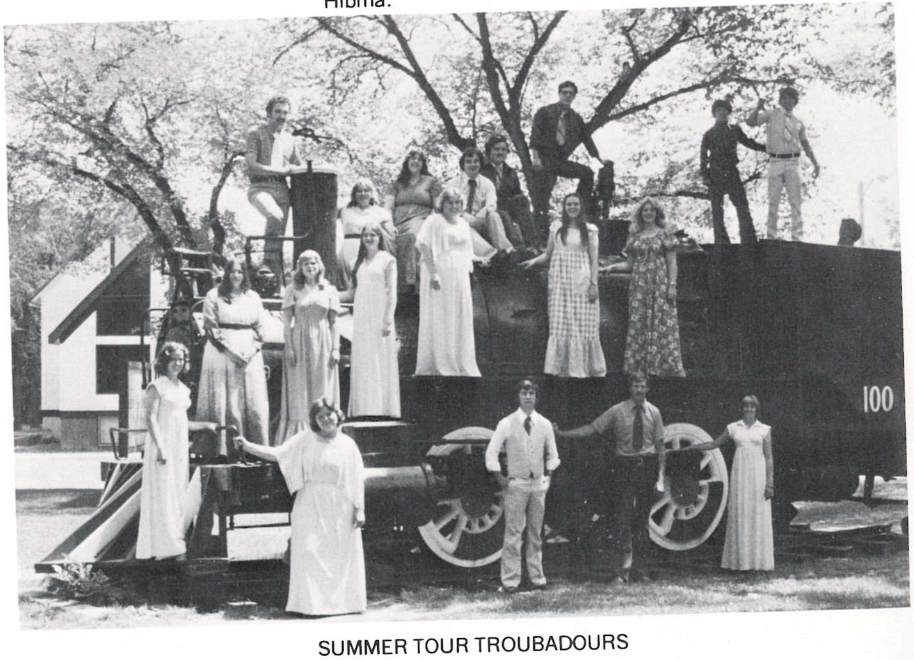
HARMONAIRES: Brenda Olson, Bill Kemp, Ron Grossman and Teresa Kerbs.

TROUBADETTES: Patti Axt, Beth Ann Grimes and Gayle Wilcox.

KINGS III: Betty Godsey, Mark Mullins and Renee Hibma.

The Trinity Troubadours traveled for 47 days in MT, ND, ID, OR, WA, CA, UT, CO, WY, KS, NE and SD. They ministered in churches, and at informal youth gathering. The Troubadours travel with Mrs. Robert Garrison, director.

The Troubadours present a fast moving service of gospel music along with stirring testimonies of the power of Christ to change a life.



SUMMER TOUR TROUBADOURS

Troubadours enjoy an informal sing-a-long with local youth in the city park at Sidney, MT.

STUDENT AND ALUMNI PLACEMENT BUREAU

A careful record of experience in practical ministries is included in the file of each student. This material, along with a resume, filled out by the student, is helpful in placement of those who desire assistance from the Student Alumni Placement Bureau. Requests for ministries are made known to the students and interviews are arranged as desired. This service is available to alumni as well as to the present enrollment.

A variety of opportunities are available which permit those who desire to be involved the privilege of putting classroom knowledge into action. The exciting reports of these off-campus ministries are shared in testimonies in chapel services.

The purpose of Trinity is to develop men and women of the Word, full of the Holy Spirit, desiring to do the works of God.

TRIOS, SMALL MUSICAL GROUPS

Ken Dutton is typical of the student who desires to serve the Lord in a ministry of music. Musical groups who meet the qualifications can enjoy a ministry on weekends throughout the area and often travel in the summer or during vacation breaks.

NEED WE SAY MORE?

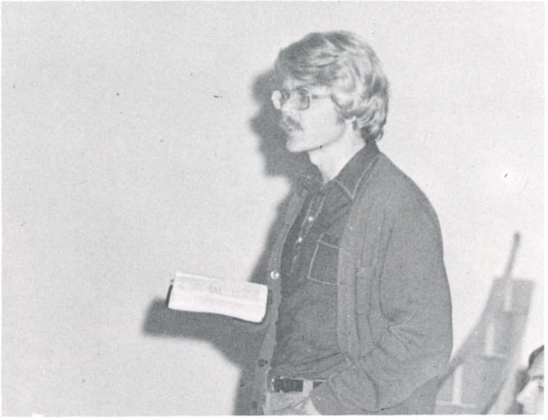
The weather, on a typical ND day, may test the consecration of a team intent on "going into all the world to preach the gospel." It may test — but seldom stops the flow of ministry groups into the four state area for weekend service.

EVANGELISM

Jack Serr, 4th YR, uses his talents both on and off the basketball court. The Crusaders hold many services following their action on the court. Their greatest thrill is one-on-one for Jesus. Their annointed singing and exciting testimonies stir the hearts of young and old.

STREET EVANGELISM

The doors are never closed to street witnessing in nearby communities. Zealous workers, trained in evangelism, obey the command to go into the highways and byways. Both single and married students are involved in this ministry.



PIONEER CHURCHES

The Dakota plains are dotted with many small communities where there is no Pentecostal witness. Doors are opening for prayer groups, Bible study ministry and formation of new church ministries. Some small works are pastored by students as they continue to attend school.

JAIL MINISTRY

A concerned team of young men visit the penal institutions in the area on a regular basis. There they sing, preach the Word and share their testimonies of Jesus' love. Lives have been completely changed by the power of Jesus Christ through this outreach. Bill McGaughey is a dedicated member of this team.

INDIAN MISSIONS

Students like Evelyn Johnson and her friend Trixie are available for child evangelism ministries. Some travel to nearby Indian Reservations to help teach Sunday School classes and assist the Indian and/or Home Missions workers.

Mike preaches on summer tour.

CHOIR GROUPS TOUR

Summertime. This word brings various reactions to individuals who have looked forward to that time span between the end of spring semester and the start of the fall term. Some will work, some will play and some will give their summer vacation in some form of ministry. Students pictured on this page chose the later.

All packed up and ready to go.

The Dayspring Quartet, Debe Bird (FL) Mary Beth Rutledge (ND), Barb Kvistad (MN), and Rose Ann DeBoef (LA) traveled for nine weeks during the summer vacation. Also representing TBI and traveling alone to minister was soloist Mike Pinkerton (FL). Both sang and ministered in Youth Camps and churches in SD, NE, KA, IL, MI, ND, IN, and IA. The students are members of the Crusader Chorale directed by Mrs. Leach.

Their ministry was blessed as many accepted Christ, others were healed and hundreds were blessed.

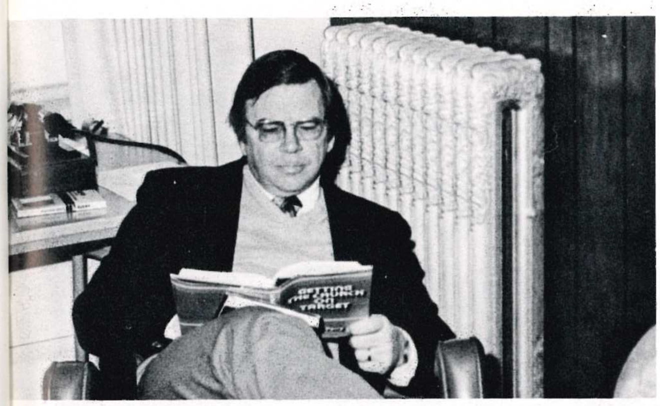
David Zink, Registrar confirms acceptance.



Teachers study around the calendar.

The curriculum and purpose of Trinity is expressed in the opening section of the Messenger. It is a three year school of intensive Bible training geared to meet the needs of the student eager to study the Word of God. An optional Fourth Year program is included for those interested in taking general education courses to qualify for a BA degree.

The first summer school sessions were held in 1978 with an encouraging enrollment. These offerings are of special benefit to the many married students who make their home in Ellendale and find it convenient to attend classes that are requirements for graduation. This makes it possible for them to take a greater selection of electives during the regular scol terms.

During the summer months the campus is used by various church bodies for camping programs and conventions and this contributes to the spiritual atmosphere as well as the daily chapel sessios.

LIBRARY-SEMINAR SESSIONS

It is easy to believe in miracles when you live on one! That statement may seem to be overworked but in reality it becomes more real each day.

TBI received their beautiful campus and buildings including the library housing 47,000 volumes for just one dollar. Each year improvements are made to keep the facilities in top condition to provide adequate learning conditions.

Five major improvements were made in the library area during the past year. The reference section expanded to 1,006 titles, a great advance over the 81 titles of the previous year. The audio-visual department has been expanded as the use of AV materials has increased. Also, Trinity is now adding microforms to the library. A learning-resource center providing audiovisual materials, typewriters, and microforms has been established.

STUDENT ASSOCIATION

The Student Association is composed of officers elected by the student body following a vigorous campaign and representatives appointed by all campus organizations.

1977-78 officers are: Rusty Younger, president; Jess Rorie, vice president; Mike Pinkerton, secretary and Irene Butzin, treasurer.

The active agenda of the organization includes campus improvements, student life suggestions and weekly meetings with the Dean of Students. They are sponsors of Faculty Appreciation Days and Sweetheart Week.

FACULTY APPRECIATION

Faculty Appreciation Day, initiated by the 1977 Student Association was a day of love expressed in tangible ways. Faculty members were presented corsages and boutonnieres. The special chapel services concluded with the students laying hands on the faculty to pray for them.

James Hessler, Dean of Students, received a standing ovation during the ceremonies in appreciation for his devoted service. After 8 years at TBI the Hesslers moved to Spokane, WA where he is an associate pastor.

The warm memories of that special day linger on. Apples on the teachers' desks, love notes in their mailboxes and other surprise gestures expressed the gratitude of the classes for their instructors on Trinity's first annual Faculty Appreciation Day — May 1978.

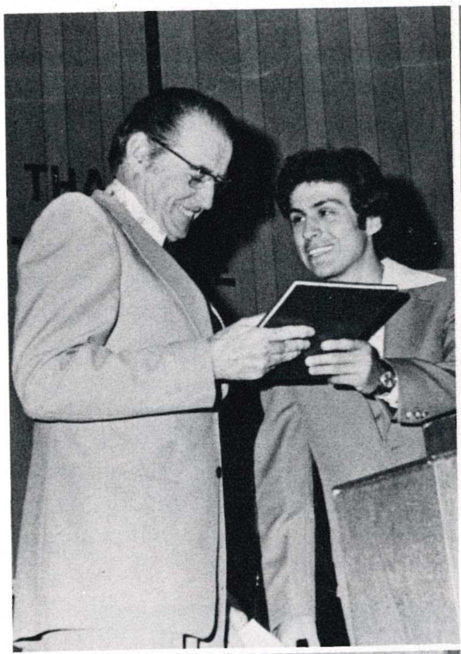
HONORS AND AWARDS



The family atmosphere at Trinity is due to the extra time and attention the faculty and staff give to the individual needs of the students. Their real reward will be given to them by our Heavenly Father. But — at times it is possible to express love and appreciation to those who give so much. The MESSENGER is one method used by the Senior Class to express this love and appreciation.

BIG SISTER-LITTLE SISTER

The BIG SISTER-LITTLE SISTER program at Trinity helps bridge the gap between freshmen and upperclass students. Each new student is assigned a "big" sister for the school term. The girls meet during the traditional get-acquainted party planned by the upperclass students. They keep in touch throughout the year and often express their appreciation for the family tradition that encourages interest and concern for others.

The WM's have a special tea to welcome and introduce the in-coming student wives.

ACTIVITIES

The progressive community of Ellendale and the Trinity family agree that they have made a good "marriage." The comfortable life style of smalltown living provides a relaxed atmosphere for college life. The modern stores provide merchandise which students need and the students supply much of the manpower needed to keep things running smoothly.

WATERTOWN, Wis. — Dow Warner went inside and Morris Warren went outside as Trinity Bible Institute of Ellendale, N.D., scored a 73-57 first round victory over Ft. Wayne (Ind.) Bible College in the Region 4 National Christian College Athletic Association tournament.

Warner slipped inside the Ft. Wayne defense for 24 points and Warren popped away from the perimeter for 20 as TBI advanced to the championship game.

Ron Johnson added 15 points to the winners' total.

TBI moved to a 29-23 halftime advantage after leading by as many as 14 points int he first half and pulled away to a 22-point lead in the second half before playing reserves the rest of the way.

Cal Rychener and Bill Stabler led Ft. Wayne with 18 points apiece.

Trinity wins region title

WATERTOWN, Wis. — Ron Johnson slipped inside for 22 points in the second half and led Trinity Bible Institute of Ellendale, N.D. to a 69-68 come-from-behind victory over Maranatha Baptist Bible College in the finals of the Region 4 National Christian College Athletic Association basketball tournament here Saturday afternoon.

TBI trailed 39-31 at the half and battled back to tie the score with two and a half minutes left in the game and take the lead with two minutes remaining. A technical foul against Maranatha with 1:38 left in the game gave Trinity Bible two free throws which eventually won the contest.

Johnson led TBI with 30 points and three other players hit double figures. Dennis Scott had 21 for Maranatha.

Trinity Bible advances to the national finals of the NCCA at Springfield, Mo. next weekend. Games will be played March 2-4.

CRUSADER MINISTRY

The Trinity Crusaders mix court action with ministry as they travel throughout the school year. Their busy schedule takes them to competition in a four state area. A typical weekend would include one or two basketball games followed by two or more church services in the same area. Their ministry includes gospel music that bridges the generation gap and enthusiastic testimonies.

This has been a busy year. It has been a year of change. The annual staff has taken time out of a busy schedule to put together a picture story to remind us of the work of God among us. It is the earnest prayer of each one involved that this book will be a real blessing to each one that receives it. Those who have given freely and joyfully of their time and talents to make this annual possible are to be commended.
